Well it's November and the Holidays are right around the corner! I don't know about you, but that statement just sent a chill down my spine. The Holidays are a joyous time of year, but also put a lot of extra pressure on all of us. Don't worry! It will be fine. They come and go every year and we always seem to make it through. Everyone seems to spend a little more and do more traveling. That's a good thing for the economy.

This may also be a good thing for the rail industry. Here at TransMatrix, Inc. we have been experiencing an increase in incoming calls either looking for equipment or with equipment to lease or sell. So, even with the Holidays upon us, let's stay focused on the job at hand. It would be nice to reach the Holidays with all of us saying what a great end of year it was! Then we can all have a truly wonderful Holiday!!

E-MAIL OR SNAIL MAIL?

The majority of shippers, suppliers, brokers and railroads that we send "The Inside Track" to every month have opted to receive it by e-mail instead of snail mail. We still haven't contacted everyone on our list.

So if we haven't talked to you about it and you would prefer "The Inside Track" by e-mail, please give us a call and any one of us would be happy to switch it over for you.
