SPRING HAS SPRUNG !!!

Yes, Spring is here again. This year I'm sure many of us have our minds elsewhere, Iraq, Iran, Syria, Korea? Yes, the World has it's problems. Some of you probably have friends or relatives stationed and defending freedom in a foreign land. We salute them! Without a doubt terrorism and oppression must be dealt with, but let's all hope the Coalition forces succeed quickly and make it back as soon as possible.

If 9/11 taught us anything, it's that life goes on no matter how bad things appear to be. That seems to be happening right here in good old North America. Here at TransMatrix, Inc. we are receiving more phone calls and requests for equipment than we have in quite some time. That's a very good thing! The economy seems to be starting an upswing. So let's get on board and show the World just how America responds to hard times. We'll just keep moving forward and nothing can stop our Spring from blossoming, no matter where we are, or what we're doing.
