HOLIDAYS! HOLIDAYS! HOLIDAYS!

Yes, that's right! The holidays are definitely with us. Thanksgiving came and went and of course, we all ate too much as usual. We do have plenty to be thankful for. There hasn't been another terrorist attack in this Country since 9/11/01. That's over two years ago!! The unemployment rate doesn't seem to be getting any worse. The interest rates are still low and the economy is slowly showing signs of bouncing back. See! Plenty to be thankful for.

Even the rail industry has a lot to be thankful for. Paper and Chemicals actually showed gains in carloads shipped from 2002 to 2003. The thousands of grain cars that were parked are all back in operation. Even the tank cars from 23,000 gallons and up are harder to find than they have been for quite some time. Most of the Lessors seem to be busier than they have been trying to put deals together. Don't forget, if you need to lease or buy railcars, or have cars that you need to place, call us at TransMatrix, Inc... we won't even charge you to list what you have or need in our monthly Inside Track newsletter. See! We do have a lot to be thankful for.

All of us at TransMatrix, Inc. hope you and all your families have a wonderfully joyous, safe Holiday Season.
