JUNE EVENTS

The June meeting of the Cornell Railroad Historical Society is scheduled for The History Center, Ithaca, NY on Tuesday, June 14 at 7:00PM. The guest will be Rob Piecuch of the Chemung Valley Historical Society. The Chemung Valley was the route for both the Erie and Lackawanna main lines. Some 50 years ago, the area hummed with industry of all sorts, ranging from steel bridges, to fire equipment to typewriters to glass products. Much has changed and we will see how the rails dealt with this evolution. CRHS@lightlink.com

Speaking of which, on June 5, 1953 - The last steam locomotive ran on the Lackawanna Railroad.

Want to try something different? Take a 9-mile Moonlight Bike Ride under a bright moon on Saturday, June 18 at York County, PA Department of Parks and Recreation's Seven Valleys Rail Trail. 8:30 pm in the Parking Area, learn about local history and nature. This night's special program: BATS. Light refreshments will be served at the conclusion of the ride. \$5, children under the age of 12 are free (717) 840-7440 FAX: (717) 840-7403 Parks@york-county.org

Confederate Lt. Colonel Elijah V. White led the 35th Battalion, Virginia Cavalry, on a raid of Hanover Junction, Pennsylvania, on the afternoon of June 26, 1863, during the Gettysburg Campaign. His men burned bridges on the Northern Central Railway including Riley's Bridge leading to the nearby village of Seven Valleys.

On June 26, 2011, the Arkansas Boston Mountain Chapter, NRHS, will host a unique 85 mile mixed train ride traveling north from Springdale, Arkansas to Butterfield, Missouri, with photo opportunities, and a box lunch on train. This is the first ever mixed train on the A&M Railroad traveling north of Springdale. The last Frisco Railroad passenger train ran in September, 1965. This is, by the way, a part of the Arkansas & Missouri Railroad's 25th Anniversary Celebration!
