2019 YEAR END

As we approach the end of 2019, we hope you have all enjoyed a day of friends, family, good food and most importantly, gratitude for all the good in our lives. No matter who we may be, there is always someone or something that has provided an impact or benefit in our daily lives. For this we are extremely grateful.

This time also brings to mind all that must yet be done in what little time that remains in the year. Surely there are summer projects lingering and yet to be finished. Did you actually finish cleaning out the garage? Autumn leaves are piling up, waiting to be jumped in, or more likely, moved to the curb. The approach of winter brings with it projects and problems all of it's own. Have you prepped the snow blower yet? Maybe you are lucky enough that all you will need is your trusty shovel. We hope those that are further south get just a glimpse of a few snow flakes. Just enough to notice that it truly is winter. Nah, some of you will still be out there, having to mow the lawn...

Whatever your situation, we would like to thank all of you and wish you a Happy and Joyful Holiday Season!
